Modulistica colonne h 214.8 cm
Tall units 214.8 cm high size range

Ante, spessore 22 mm, disponibili nelle seguenti finiture:

- C** Impiallacciato rovere naturale verticale, verniciato trasparente
- D** Fenix NTM® bordato rovere naturale

Gli scaffi sono disponibili unicamente in melaminico nobilitato nero con bordo frontale in rovere naturale e tre lati in ABS nero.

Questo modello si caratterizza per vani a giorno che, nei mobili base, si completano con cassetti in massello di rovere.

Doors, 22 mm thick, available in the following finishes:

- C** Natural oak vertical veneer, varnished natural
- D** Fenix NTM® with natural oak edges

The carcasses are available only in black melamine with natural oak front edge and three sides in black ABS.

This model is characterized by open cupboards, that in the base units are completed with solid oak drawers.

Particolare maniglia / Handle detail

Tre tipologie di maniglia:

- Art. 1RV, in massello di rovere naturale;
- Art. 2GN, in metallo verniciato effetto ghisa;
